Information

With the PRONTO P10 and the repair material you can repair uncoated, Polyurethane coated as well as rubber covered layflat delivery hoses. This repair system does not require an internal patch repair as the external repair system provides all the strength necessary to put a damage hose back into service.

red and white patch

PATCH REPAIR MATERIAL

repair material for the external repair of layflat delivery hoses with PRONTO P10 hose vulcaniser

Vulcaniser PRONTO P10

Safe repair option up to 5 mm hole diameter or 10 mm tear length.
